

# 2018-19 NCSWEOA Winter Workshop Series Program II

Thursday, December 13, 2018

## Ordinance & Enforcement Program Development

This workshop will focus on creating a solid waste ordinance that will provide a framework on which to build a successful environmental enforcement program. Speakers will present their own experience in developing ordinance provisions tailored to their jurisdictions. Participants will engage with speakers to discuss their specific enforcement needs relating to citizen complaints, illegal dumping and roadside litter, and how to address those needs in their local ordinances.

<b>Location:</b>	<b><i>Western Piedmont Council of Governments</i></b>	<b><i>1880 2nd Avenue NW, Hickory</i></b>
